

Healthy Touch and Positive Discipline

Healthy Touch and Positive Discipline: A free one hour workshop with a focus on how to provide kids with healthy touch while maintaining, and teaching them, healthy boundaries. The workshop also builds on existing strengths of parents and caregivers to provide alternatives to physical discipline. Light refreshments provided.

Benefits

- Increased awareness about the importance of warm and healthy affection
- Learn specific strategies to maintain boundaries with children in youth serving, educational, or faith organizations.
- Build on existing strengths to provide children with structure, support, and discipline

Who: Ideal for parents with children ages 1-10.
