

Intro to Parenting with Love & Logic

This fun and informative workshop is for any parent who wants practical techniques for less stressful, more effective parenting, more ease in family life, and the joy of raising responsible children.

Tuesday, November 6, 2018

6:30 ~ 7:30 pm

Free child care available.

**Located at Silverton Community Center
421 S. Water St.**

Facilitators: Tatiana Cheremnov & Krista Kuenzi

Love and Logicisms: Wise Words About Kids

- Saying "No" to a \$200 pair of sneakers does not constitute child abuse.
- Wise parents encourage their kids to go first class on their own money.
- Never let a manipulating child see you sweat.
- Wise parents realize that yelling, "Stop fighting!" is about as effective as fighting fires with a squirt gun.
