

It's More than a Medical Chart–

Create a Patient Profile to Enhance Your Child's Health Care

FREE Workshop by the
Oregon Family to Family
Health Information Center
and

Creating Opportunities

Learn how a powerful yet simple tool can help introduce your child's health needs in a positive, respectful way. Help staff of medical, dental, and therapy offices, as well as teachers, social workers, coaches, etc. understand your child and how best to support her.

"I love, love, love these. I think they make all the difference to a provider who will take the 30 seconds to read them." -Parent
