This program is designed to give you practical skills that can be used immediately!

Parenting the Love & Logic way help you:

- Avoid un-winnable power-struggles and arguments
- Stay calm when your kids do upsetting things
- Avoid enabling and begin empowering
- Help your kids learn from mistakes instead of repeating them
- Put an end to arguing, back talk and begging
- Give kids tools to solve their own problems
- Teach kids to complete chores without reminders and without pay.
