CAR SEAT SAFETY CLASS

One of the most important jobs you have as a parent is making sure your child is safe when riding in a vehicle. Each year, thousands of young children are killed or injured in car crashes. Proper use of car seats with proper education helps keep children safe. With so many different seats, many parents find it overwhelming. If you are expectant parents, a grandparent, or a caregiver come join us in this car seat safety class that will give you some good information and tips on how to install a car seat into your car and make sure your child is safe.

To register:
Online salemhealth.org/CHEC or call 503-814-2432
