QUARTERLY DATA REPORT

Q4 2016-2017
APR - JUN, 2017

Data Set Definitions

This report is prepared by the Oregon Department of Education, Early Learning Division for quarterly distribution to the Early Learning Hubs. The data sets used in this report are described below.

QRIS

The Research Institute (TRI)

Count of programs and children served by providers participating in Oregon's Quality Rating and Improvement System.

Temporary Assistance to Needy Families

Oregon Dept. of Human Services (DHS)

De-duplicated count of children age 0-6 who were beneficiaries within TANF households on an open case in a three month period. Age calculated as of the final month in the period in which the child was on an open case.

Supplemental Nutrition Assistance Program

Oregon Dept. of Human Services (DHS)

De-duplicated count of children age 0-6 who were beneficiaries within SNAP households on an open case in a three month period. Age calculated as of the final month in the period in which the child was on an open case.

Foster Care Combined

Oregon Dept. of Human Services (DHS)

Count of children age 0-6 on the last day of the period. Age calculated as of the last day of the period. Contains the latest Point in Time (PIT) data from the previous quarter.

Count of children age 0-6 who entered foster care during the period. Age calculated as of the month the data was captured.

Count of children age 0-6 who exited (were discharged from) foster care during the period. Age calculated as of the month the data was captured.

In Home Services

Oregon Dept. of Human Services (DHS)

Count of children age 0-6 who are served in their own homes. Age calculated as of the month the data was captured. Contains the latest Point in Time (PIT) data from the previous quarter.

Employment Related Day Care

Oregon Dept. of Human Services (DHS)

De-duplicated count of children age 0-6 who were beneficiaries within ERDC households on an open case in a three month period. Age calculated as of the final month in the period in which the child was on an open case.

ERDC801

Office of Child Care (OCC)

Programs serving children who receive a federal subsidy for Employment Related Day Care (ERDC)

Developmental Disabilities

Oregon Dept. of Human Services (DHS)

De-duplicated count of children age 0-6 who were beneficiaries on cases receiving services related to developmental disabilities (DD). Age calculated as of the final month in the period in which the child was on an open case.

Developmental Screening

Oregon Health Authority (OHA)

Count of children age 1-3 who had a claim with CPT code 96110 by their birthday in the measurement year and continuous enrollment in a CCO for the 12 months prior to their birthdate in the measurement year, regardless of whether or not they had a medical/clinical visit.

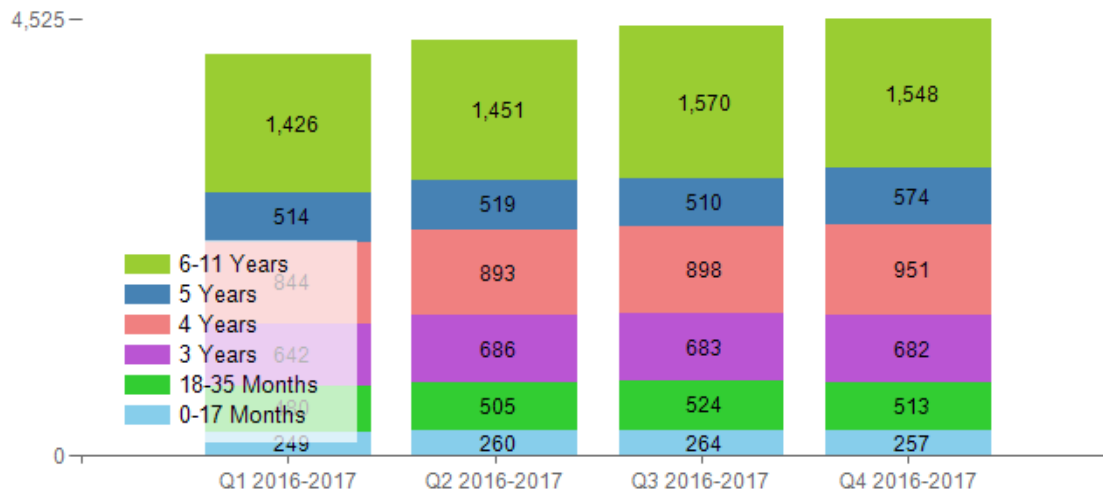

OHP Enrollment

Oregon Health Authority (OHA)

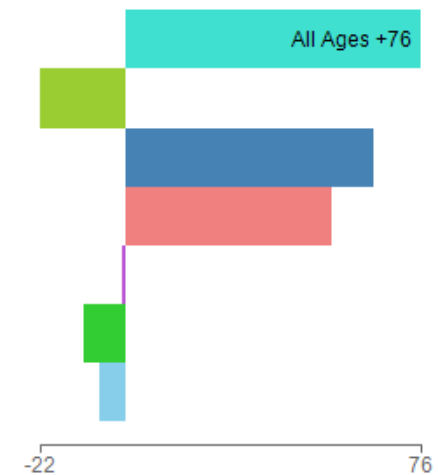

Count of children aged 0-5 years who were enrolled in the Oregon Health Plan during the measurement period.
